Start date	<b>2 September 2019</b> Please note that day of week is just an indication at this stage and could be subject to change
Course code	<b>FLR2BSD (1920)</b>

## Who is it for?

This course is suitable if you have a keen interest in beauty therapy and wish to find employment as a Beauty Therapist or a Beauty Consultant within salons, clinics, hotels, spas and cruise ships. Working towards Level 3 Massage or Level 3 Make-Up after this programme would be the long-term goal but is not an automatic process. Progression and development will be monitored to determine individual learning plans and identify goals and options. Students will be required to have an informal discussion with the tutor and complete a trade assessment before acceptance to the Level 3 Beauty programme.

## Entry Requirements

3 GCSEs at Grade C (4) or above are needed. Good communication and personal presentation skills and a keen interest in beauty therapy. Mature candidates will be exempt, depending upon experience.

## What does the course involve?

This qualification includes all the required elements to work effectively as a beauty therapist.

- Health safety and hygiene
- Consultation techniques and client care
- Manicure treatments
- Pedicure treatments
- Waxing services
- Facial treatments
- Skin type analysis
- Eyebrow shaping services
- Eyelash and eyebrow tinting services
- Make-up applications
- Anatomy and physiology for beauty therapists

Throughout this qualification, you will develop your knowledge and understanding of relevant anatomy and physiology and health and safety. You will also develop the knowledge, understanding and skills

to consult with clients whilst providing a range of beauty treatments including facial treatments, skin analysis, manicure, pedicure, waxing, eyelash/eyebrow treatments and make-up applications.

In parallel, you will develop your communication and customer service skills, the awareness of environmental sustainability and their commercial skills, all of which are valued highly by employers.

There is an opportunity to work towards the Extended Diploma for students who have achieved A-C in both Maths and English. This will allow you to gain additional skills from within the industry.

English and/or maths are integrated into the programme for those who do not have a grade 4 or above.

On successful completion of the qualification followed by a personal interview and trade test, candidates may progress to Level 3 Beauty and Make-Up Techniques or Level 3 Diploma in Massage Therapies.

## **How is the course assessed?**

All programme work is continually assessed in oral, practical and written situations with project work and portfolio building.

## **How much does it cost?**

It is an expectation of professional practice to wear a uniform whilst in salon sessions. It is advisable to purchase a kit to allow you to practice skills out of College. Order forms are available at the Group Interview event.

## **Additional Notes**

As part of the course you may be required to have a work placement working within local industry to gain an insight into the workings of the Beauty Therapy Industry and take part in promotional activities: - Pamper days, off site promotional work, attend trade events. In house training may include: - Dermalogica skin products, nail art, Make-up techniques, Spray Tanning.
