

Equality & Diversity Statement

Shrewsbury Colleges Group is committed to equality and diversity. We are proud of our college and believe that everyone is entitled to equal treatment and must be treated with respect. We respect and support all our students and staff so that everyone can achieve and thrive.

We have an environment that welcomes and supports people with any of the following characteristics:

- **age**
- **disability**
- **gender reassignment**
- **marriage and civil partnership**
- **pregnancy and maternity**
- **race**
- **religion or belief**
- **sex**
- **sexual orientation**

However, we recognise that equality and diversity is complex so we also take into account other issues and circumstances.

We want everyone to respect and value each other's differences and to feel safe and included. If you do not feel safe or are being harassed or bullied, or see someone else being bullied, please report it by emailing safeguarding@shrewsbury.ac.uk
