

Student Travel for the 2022-23 Academic year

The Arriva Bus company would like to take this opportunity to remind you about the options we have available to support students traveling on our bus services.

Arriva's Student Saver tickets will not only cut your travel costs to and from college but for no added cost you can use the same ticket to get out and about in the evenings, at weekends, and throughout all term holidays.

You can spread the cost of your saver ticket over affordable monthly payments with our easy-to-use direct debit system. It's simple to apply and there's no set up fee or minimum contract required, which means you can cancel your payments to stop your ticket at any time should your circumstances change. This makes it the ideal way to get reduced price bus travel without paying upfront.

For further information and to arrange your direct debit payments please follow the link below:

If you register now you can choose to begin your payments to start in time for the new academic year. Then once we have received your first payment your ticket will be sent to you, and you won't need to worry about paying bus fares again, safe in the knowledge you have saved money through our direct debit scheme.

You can choose to receive your pass in the post or if you download the Arriva UK bus app we can send an m-ticket directly to your phone.

Student Saver tickets are available for anyone aged 16+ in full time education
