

Health & Safety		Shrewsbury College Group Risk Assessment Form										
Location:	English Bridge Campus	Activity:	Operation of Campus – March 2021	Date:	March 2021	Name:	Brett Davies-Wareing / Paul Partridge					
Please use Key below for Risk Ratings.												
A - Severity		Risk Rating	B - Likelihood			Risk Rating						
Fatality		10	Probability – High Risk Activity			10						
Major injury requiring hospital treatment		8	Possibility – If instructions given are not followed			8						
Moderate injury requiring first aid treatment		4	Occasional – If instructions given are not followed			4						
Minimal Injury		2	Improbable			2						
<p>SEVERITY (A) multiplied by LIKELIHOOD (B) gives a Risk Rating between 4 and 100 for each identified risk</p> <ul style="list-style-type: none"> <li>➤ Risk Rating up to 40 need attention (Low)</li> <li>➤ Risk Rating between 40 and 70 will require action, with urgency dependent upon where in the range they fall (Medium)</li> <li>➤ Risk Rating above 70 will require urgent attention. The activity must stop until the risks are reduced to an acceptable level (High)</li> </ul>												
<p><b>Step 1</b> What are the hazards? <i>Identify anything that can cause harm.</i></p>	<p><b>Step 2</b> Who might be harmed and how?</p>	<p><b>Step 3</b> What action are you already taking? <i>Control measures.</i></p>	<p><b>Step 4</b> What further action is needed? <i>What else needs to be introduced to eliminate or reduce the risk?</i></p>	<p><b>Step 5</b> What are the recommendations or further action required?</p>	<p><b>Step 6</b> Who will you put the risk assessment into action?</p>							
<p>Spot hazards by:</p> <ul style="list-style-type: none"> <li>Walking around your workplace;</li> <li>Asking your employees what they think;</li> <li>Contacting the Health and Safety Officer</li> <li>Visiting the <i>Your Industry</i> areas of the HSE website.</li> <li>Advice line or visiting their website;</li> <li>Checking manufacturer's instructions;</li> <li><i>Don't forget long-term health hazards.</i></li> </ul>	<p>Identify groups of people. Remember:</p> <ul style="list-style-type: none"> <li>Some personnel have particular needs;</li> <li>People who may not be in the workplace all the time;</li> <li>Members of the Public;</li> <li>If you share your workplace think about how your work affects others present.</li> </ul> <p>Say how the hazard could cause harm</p>	<p>Detail what is already in place to reduce the likelihood of harm or make any harm less serious.</p>	<p>Detail what additional control measure are to be introduced to reduce the risk to an acceptable level</p>		<p>Remember to prioritise. Deal with those hazards that are high-risk and have serious consequences first.</p> <table border="1"> <thead> <tr> <th>Action by whom</th> <th>Action by when</th> <th>Date</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> </tr> </tbody> </table>		Action by whom	Action by when	Date			
Action by whom	Action by when	Date										

**Overview:**

The College's principle strategy for managing and mitigating the risks of COVID19 infection as part of the opening for the Summer term is to maintain social distancing principles where at all possible. In doing so the following over-arching principles are to be followed;

The following guidance has been adopted and used as part of developing these risk assessments

[Actions for FE colleges and providers during the coronavirus outbreak - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/actions-for-fe-colleges-and-providers-during-the-coronavirus-outbreak)

[Face coverings in education - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/face-coverings-in-education)

[COVID-19: cleaning of non-healthcare settings guidance](https://www.gov.uk/guidance/covid-19-cleaning-of-non-healthcare-settings)

[COVID-19: guidance for young people on shielding and protecting people most likely to become unwell if they catch coronavirus](https://www.gov.uk/guidance/covid-19-guidance-for-young-people-on-shielding-and-protecting-people-most-likely-to-become-unwell-if-they-catch-coronavirus)

[Staying alert and safe \(social distancing\)](https://www.gov.uk/guidance/staying-alert-and-safe-social-distancing)

[CIBSE - Emerging from Lockdown](https://www.cibse.org/~/media/Files/2020/04/20200420-19-CIBSE-Emerging-from-Lockdown.pdf)

Step 1 <b>What are the hazards?</b> <i>Identify anything that can cause harm.</i>	Step 2 <b>Who might be harmed and how?</b>	Step 3 <b>What action are you already taking?</b> <i>Control measures.</i>	Risk rating	Step 4 <b>What further action is needed?</b> <i>What else needs to be introduced to eliminate or reduce the risk?</i>	Risk rating	Step 5 <b>What are the recommendations or further action required?</b>	Step 6 <b>Who will you put the risk assessment into action?</b>		
							Action by whom	Action by when	Date
COVID-19 frequency in the community	Campus users	Monitor local and national information sources to monitor frequency.  Plan to close campus or limit use further at short notice.	Low	-	Low	Ongoing Monitoring of developments	SLT	Ongoing	-
COVID -19 measures become out of date	Campus users	Continue to monitor and update guidance for staff and students as required	Low	Communication pack for Staff to include guidance  Communication pack for Students to include guidance	Low	Ongoing Monitoring of developments	SLT	Ongoing	-
COVID-19 measures safety arrangements not understood or complied with	Campus users	Regular updates and communications to staff and students	Low	Manage numbers of students attending for lateral flow testing period.  Provide communications to all staff and students regarding control measures and expectations including potential disciplinary consequences.  Communication pack for Staff to include guidance  Communication pack for Students to include guidance	Low	Ongoing Monitoring of developments	SLT	Ongoing	-
COVID-19 transmission during unnecessary contact between individuals	Campus users	Minimise contact between individuals through <ul style="list-style-type: none"> <li>• amendment to student/teaching timetables to reduce numbers of students required on any day.</li> <li>• measures to reduce mixing between and within class groups such as staggering of breaks</li> <li>• encourage and ensure social distancing when possible.</li> </ul>	Low	Communication pack for Staff to include guidance.  Communication pack for Students to include guidance	Low	Ongoing monitoring of effectiveness and adjustment as students return to College.	SLT, Curriculum Leaders & Dept. Heads.	Ongoing	-

Step 1 <b>What are the hazards?</b> <i>Identify anything that can cause harm.</i>	Step 2 <b>Who might be harmed and how?</b>	Step 3 <b>What action are you already taking?</b> <i>Control measures.</i>	Risk rating	Step 4 <b>What further action is needed?</b> <i>What else needs to be introduced to eliminate or reduce the risk?</i>	Risk rating	Step 5 <b>What are the recommendations or further action required?</b>	Step 6 <b>Who will you put the risk assessment into action?</b>		
							Action by whom	Action by when	Date
Teaching, Support staff supervision: Inability to maintain appropriate ratios and supervision of students/visitors or to maintain effective infection control.	Campus users due to lack of available staff members to supervise adequately.	Identify staff unable to attend site to ensure that roles are covered.  Establish staffing rota and plan to ensure: <ul style="list-style-type: none"> <li>Adequate student supervision</li> <li>Regular hygienic cleaning plan in place</li> <li>Routine and preventative cleaning</li> <li>Contingency plans in place to ensure that reserve staff can be called in if required.</li> </ul>	Low	Ongoing management of staffing plans	Low	-	SLT, Curriculum Leaders & Dept. Heads. Teaching and Support Staff	Ongoing	-
Severe symptoms or risk to life in the event of infection	Vulnerable & Extremely Vulnerable individuals: Staff or students with known health conditions / pregnant women (now included within Clinically vulnerable category from week 28 of term)	Follow guidance on Clinically vulnerable and Clinically extremely vulnerable people:  Sources: <a href="#">Clinically extremely vulnerable receive updated guidance in line with new national restrictions - GOV.UK (www.gov.uk)</a>  Communicate guidance on Clinically vulnerable and Clinically extremely vulnerable people and social distancing to be maintained as much as possible  Seek and maintain records of staff with listed conditions, when complete individual cases to be assessed with an aim to implement additional measures  Staff or Students with conditions which place them in the Vulnerable groups  Recognition that BAME individuals may be at heightened risk of adverse reaction to infection by COVID-19.	Low	Communication pack for Staff to include guidance  Communication pack for Students to include guidance	Low		SLT, HR, Marketing & Admissions teams.	Ongoing	-

<p>Anxiety/stress through lack of clear guidance or compliance</p>	<p>Campus users through lack of clear guidance leading to non-compliance or stress/anxiety</p>	<p>Communicate plans and expectations to staff and students as part of reopening measures</p> <p>Communicate that wearing a face covering in College is required in corridors, communal spaces indoor and outdoor, where relevant education guidance or public health advises, face coverings must also be worn in classrooms by all when not maintaining social distance (unless exempt)</p> <p>Wearing a face covering is <u>required on public and college transport</u>. Those wishing to use a face covering elsewhere in College may do so.</p> <p>Exemption cards to be issued by ALS staff to students with valid reasons for being unable to wear a face covering</p> <p>All staff members to be issued with face visors for them to use as they wish in addition to wearing a face covering unless exempt</p> <p>Communicate to staff and students that PPE is only needed in a very small number of cases including:</p> <ul style="list-style-type: none"> <li>students whose care routinely already involves the use of PPE due to their intimate care needs should continue to receive their care in the same way</li> <li>if an individual becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home</li> </ul> <p>Students with SEND who would benefit to be able to visit campus prior to term beginning should they wish to reacquaint themselves with the current setting</p> <p>Communicate that parents, carers and settings do not need to take student's temperatures every morning. Routine testing of an individual's temperature is not a reliable method for identifying coronavirus.</p> <p>Reiterate to parents and staff the need to follow the standard national advice on the kind</p>	<p>Low</p>	<p>Regular communication process in place to all staff members (e-mail daily updates &amp;/or staff web page)</p> <p>Communication pack for Staff to include guidance</p> <p>Communication pack for Students to include guidance</p> <p>Communicate correct donning and doffing of any required PPE</p> <p>Communicate correct Visor cleaning procedure should wearers need to clean.</p>	<p>Low</p>	<p>Ongoing monitoring of developments along with staff and student behaviour on return</p>	<p>SLT, HR, Marketing &amp; Admissions teams.</p> <p>ALRS team</p>	<p>Ongoing</p> <p>End of Feb 2021</p>	<p>-</p>

Step 1 <b>What are the hazards?</b> <i>Identify anything that can cause harm.</i>	Step 2 <b>Who might be harmed and how?</b>	Step 3 <b>What action are you already taking?</b> <i>Control measures.</i>	Risk rating	Step 4 <b>What further action is needed?</b> <i>What else needs to be introduced to eliminate or reduce the risk?</i>	Risk rating	Step 5 <b>What are the recommendations or further action required?</b>	Step 6 <b>Who will you put the risk assessment into action?</b>		
							Action by whom	Action by when	Date
		of symptoms to look out for that might be due to coronavirus, and where to get further advice							
Psychological well being	Staff and students by returning to campus following prolonged time away due to pandemic	Regular communication in place to all staff members via Info-point to provide latest updates <a href="http://www.scg.ac.uk/staff">www.scg.ac.uk/staff</a>  Health and wellbeing services are provided within the college should staff and students require access to this help	Low	Ensure all staff/students are aware of help available via Info-point or Moodle and H&W services	Low	Ongoing review of situation to assess effectiveness and determine if improved or alternative precautions are required.	Marketing & Admissions	8 <sup>th</sup> March 2021	
Infection from disposable face masks/coverings incorrectly disposed	Campus users through lack of clear guidance	Communication pack prepared and sent for Staff and Students to include guidance on COVID-19 safety and hygiene procedures	Low	Communication pack for Staff to include guidance  Communication pack for Students to include guidance	Low	Guidance on the emptying and disposal of waste to be given to cleaners	Estates Coordinators , Estates staff, H&S Officer	Prior to return	
Lack of training: <b>Staff and Student training &amp; briefing</b>	Campus users through lack of clear guidance	Communication pack prepared and sent for Staff to include guidance on COVID-19 safety and hygiene procedures  Communication pack for Students to include guidance on COVID-19 safety and personal hygiene procedures: <ul style="list-style-type: none"> <li>• Importance of Social Distancing.</li> <li>• Adherence to hand washing/ hand sanitising guidance on arrival, departure, mealtimes, after toilet use.</li> <li>• Provision of hand sanitiser within campus and classrooms as deemed necessary.</li> </ul> Managers to contact Team members to ensure staff are aware of guidance and able to ask questions prior to start of term.	Low	Regular communication process in place to all staff members (regular e-mail updates &/or staff web page)	Low		SLT, Department managers.	Ongoing during initial return phase	-

Step 1 What are the hazards? <i>Identify anything that can cause harm.</i>	Step 2 Who might be harmed and how?	Step 3 What action are you already taking? <i>Control measures.</i>	Risk rating	Step 4 What further action is needed? <i>What else needs to be introduced to eliminate or reduce the risk?</i>	Risk rating	Step 5 What are the recommendations or further action required?	Step 6 Who will you put the risk assessment into action?		
							Action by whom	Action by when	Date
Avoidable transmission by incorrect Home test result received - lack of knowledge/test completed incorrectly;	Campus users through lack of clear guidance	Students required to complete 3 supervised tests and issued with instructions when provided with home testing kits. Staff reminded to follow instructions provided with kits.  Home test kit issuer must use SCG193 report to confirm individual has completed 3 tests prior to issuing home test kits.  Issuer must issue Instructions for Use with test kit <b>(v 1.3.2 dated 15 January 2021)</b>	Low	Individuals must be logged on COVID-19 Test Kit Log  Exceptions for students unable to undertake on site testing approved by senior managers	Low	-	All Staff and Students	Ongoing	
Individuals requiring first aid or personal help (not suspected to be COVID related). <b>First Aid</b>	First Aiders / Staff through close contact.	Brief staff to use first aiders and other designated staff to help assess and if necessary, assist individual.  First aiders to maintain 2-metre social distance where possible. Where 2-metres is not possible or contact required appropriate PPE to be used:  <ul style="list-style-type: none"> <li>Aprons, gloves and face coverings and visors should be used during treatment.</li> </ul>	Low		Low		All Staff, First Aiders	Ongoing	-

<p>Individuals exhibiting symptoms of coronavirus while in College: <b>First Aid</b></p>	<p>Staff, Students, First Aiders.</p>	<p>Brief staff to use first aiders and other designated staff to help assess and if necessary, assist with or removal of individual exhibiting symptoms to the First Aid room or another suitable isolated area</p> <p>If a student or other individual becomes unwell with symptoms of coronavirus while in College and needs direct personal care until they can return home and advised to follow NHS guidance online. If contact with the individual is necessary, then gloves, an apron, face visor and face mask should be worn by the supervising adult.</p> <p>Specific individual assessments undertaken for those who have a self-declared health condition which significantly increases their risk profile.</p> <p>A register of these individuals will be maintained and made readily available for designated staff first aiders. If an individual exhibits symptoms the first aider will refer to the register and, if applicable, will take appropriate action to address the increased risk. This may include consultation with others including a medical practitioner as required</p> <p>Thorough hygienic clean of corridors and affected rooms/classroom/ other areas where the individual has been working (i.e. spent significant time), in particular First Aid room or suitable isolated area after individual has left site in line with <a href="#">COVID-19: cleaning of non-healthcare settings guidance</a></p> <p>Until cleaned first aid room/isolation room and room where individual has spent significant time to be vacated &amp; isolated.</p> <p>Identify/Designate spare classroom or space to be available to allow relocation of staff / students from any suspected contaminated room/area until cleaned.</p>	<p>Provide guidance and Train all first Aiders on how to deal with symptomatic individuals – ensure First Aiders know where to obtain PPE.</p> <ul style="list-style-type: none"> <li>- Sanitiser</li> <li>- Gloves,</li> <li>- Aprons</li> <li>- Facemasks</li> <li>- Visors</li> </ul> <p>Train First aiders on how to don and doff PPE.</p> <p>Hygiene guidance given such as avoid touching eyes, nose, mouth with unwashed hands, cover your cough and sneeze and adopt the catch it, bin it, kill it approach.</p> <p>Update all staff on procedure for dealing with symptomatic individuals including NHS Track and Trace system and referral procedure to Public Health England</p> <p>Provide guidance and training for estates and cleaning staff. Ensure and maintain stocks of PPE for First Aiders and Cleaning/Estates staff as required:</p> <ul style="list-style-type: none"> <li>- Visor</li> <li>- Apron</li> <li>- Facemask</li> <li>- Gloves</li> <li>- Sanitiser</li> </ul> <p>Communication pack for Staff to include guidance/set expectations</p> <p>Communication pack for Students to include guidance/set expectations</p>	<p>Low</p>	<p>Ongoing review of situation to assess effectiveness and determine if improved or alternative precautions are required.</p>	<p>All Staff. First Aiders.</p>	<p>Ongoing</p>	<p>-</p>
