➤ **Section 1: Introduction**

Maintained school and academy sixth-forms are required by the Education Act 1996 to provide free meals to disadvantaged students who are aged over 16. In the 2014 to 2015 academic year this requirement was extended to disadvantaged students following FE courses at the range of FE funded institutions. Funding Agreements have been amended to place a legal duty on institutions to comply with this requirement.

This guide is intended to support those institutions in providing, and administering, free meals in line with the requirement.

➤ **Section 2: Residency Criteria**

In order to apply for free meals you (the student) must declare your residency status. You will need to fall into one of the categories below listed A to F. Along with your completed application form, you will need to provide proof of the category chosen.

➤ **Section 3: Student Eligibility**

Age

Students must be aged between 16 and 18 on 31st August prior to starting their course in September/January of each academic year to be eligible for a free meal in that academic year. Students who turn 19 during their study programme will remain eligible for a free meal until the end of the academic year in which they turn 19 or to the end of their study programme, whichever is sooner.

Students aged 19 to 24 who are subject to an Education Health and Care Plan (EHC Plan) are also entitled to a free meal while attending their provision if they meet the eligibility criteria.

The following groups of students are not eligible for free meals in further education support:

- Students aged between 14 and 16 (these students are already covered by different provision, that is Free School Meals (FSM))
- Students aged 19 or over at the start of their study programme, unless they have an EHC Plan
- Apprentices, including those with an EHC Plan

➤ **Section 4: Eligible Benefits**

Free meals are targeted at disadvantaged students. For the purposes of eligibility for free meals, disadvantage is defined by the students being in receipt of, or having parents who are in receipt of, one or more of the following benefits:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance (ESA)
- Support under section VI of the Immigration and Asylum Act 1999
- The guarantee element of State Pension Credit
- Child Tax Credit (provided they are not entitled to Working Tax Credit) and have an annual gross income of no more than £16,190, as assessed by Her Majesty's Revenue and Customs (HMRC)
- Working Tax Credit run-on-paid for 4 weeks after someone stops qualifying for Working Tax Credit
- Universal Credit-your household income must be less than £7,400 a year (after tax and not including any other benefits you may be in receipt of.)

➤ **Vulnerable Students**

- In care – Income support/Universal Credit
- Leaving Care – Income Support/Universal Credit

If you are in care or you are leaving care, a letter from the local authority or your social worker would also need to be provided to support your application.

- Living Independently – Income Support/Universal Credit

➤ **Section 5: Verification of Student Eligibility**

A student is only eligible to receive a free meal when they, or a parent/guardian on their behalf, have made a successful application to the institution where they are enrolled.

As part of the application, you the student (or your parent/guardian) would need to provide current evidence of the award of the qualifying benefits, for example an award notice or letter from the Department of Work and Pensions (DWP) or HMRC. **Financial assistance application forms are available from Student Services across the Shrewsbury College Group.**

➤ **Section 6: Raising Awareness of free meals**

New students will receive information about **applying for financial assistance** along with their enrolment letter. Student Services will be available throughout the academic year and at any advice or open events for support. **Students who wish to apply for free meals are expected to return their financial assistance application form with supporting evidence of their income or any benefits they qualify for.** Free College meals will also be promoted throughout the academic year on Moodle and on the college group websites.

➤ **Section 7: The provision of free meals to students**

Institutions are required to make provision for free meals to eligible students (i.e. those who are in receipt of the qualifying benefits and who make a successful application for financial assistance) for each day that the student attends their study programme at college.

The free meals will be distributed to each eligible student in the form of tokens. The government has allocated £2.41 per day for each eligible student for the days that they attend college, however Shrewsbury Colleges Group have enhanced the £2.41 free meals funding rate to a greater value of £3.20 a day. In addition, students can use their own cash to pay for the cost of food and drink where it exceeds the stated amount.

Catering for students with special dietary requirements

It is the responsibility of the student to inform Student Services of any food allergies and/or intolerances where medical evidence is supplied.

➤ **Section 8: Legal Requirements**

Students and parents/carers must ensure that they complete the application and provide all of the relevant information to the best of their knowledge. If information is falsified and this is discovered, the parent/carer will be liable to repay the free college meal award in full.

➤ **Section 9: Application Process**

Financial assistance application forms are available at Student Services across the Shrewsbury Colleges Group. They are also available to download from both college websites and can be accessed from Moodle.

You the student/parent/guardian are required to complete the application form as accurately as possible and to provide documentary evidence that can be photocopied, of either your or your parents/carers household income and any qualifying benefits. Once this has been completed and your household evidence has been assessed for eligibility, a letter will be written to you to confirm the outcome of your application.
