

Dear Parent/Carer

March 2020

Consultation Event 2020

I am writing to invite you to attend our Parents' Consultation Event that is taking place on Wednesday 11th March between 4.30pm and 7.00pm. We recommend that parents and students should come together to this event since a sharing of opinions about students' progress is particularly valuable at this stage of the academic year.

This event is being held on our **London Road Campus**. A leaflet with details on the rooms that staff can be found in on the evening will be available from Main Reception on your arrival.

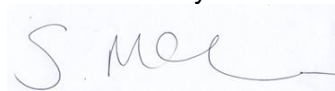

Curriculum staff will offer **10 minute** appointments, booked by your son/daughter. If you would like to attend please can you instruct them to make an appointment for you.

If a student is studying English or Maths as a part of their Study Programme a drop in system will operate to allow discussions with teaching staff in these areas. Maths staff will be available in room B28 and English staff in room B27 (both on the first floor of the Main Building).

Senior staff will be available for consultation throughout the evening. Please make an appointment through Ben Kovacs (benko@shrewsbury.ac.uk) should you wish to discuss Specific Educational Needs. Staff will also be available to provide assistance with accessing ProPortal. Please contact Steve McAlinden (sm@ssfc.ac.uk) if you have limited mobility and would like us to contact you regarding arrangements.

Car parking space is readily available for parents or students on London Road Campus.

Yours sincerely

Steve McAlinden
Curriculum Support Director
