
PROCEDURE FOR THE APPOINTMENT OF A PARENT GOVERNOR

1. Background

The statutory Instrument and Articles of Government set out the legal responsibilities, powers and duties of governing bodies. The Instrument sets out the governing body's constitution and procedures and the Articles set out the College's internal powers, duties and responsibilities.

Instrument 2 (f) requires that the Governing Body consists of:

“at least one and not more than two members who are parents of students under the age of 19 years attending the institution, who have been appointed by the Corporation.

It is therefore a mandatory requirement for the Board to have at least one parent governor.

2. Composition of the Board of Governors for Shrewsbury Colleges Group

The Board of Governors have agreed that the membership of the parent Governor category should be determined at two and that appointments should be staggered by one year to ensure continuity of parent representation.

3. Election and Appointment of Parent Governors

Vacancies arise on expiry of the three-year term of office. However, a vacancy will occur if the parent governor resigns or does not comply with the Governors Code of Conduct or becomes ineligible to serve under Instrument 8 of the Instruments of Government.

When a vacancy occurs, interested parents/guardians will be invited to apply and asked to complete an Annual Skills Audit form and supply a brief c.v.. Applications will be considered by the Search and Governance Committee and applicants may be invited to the College to meet with the Chair of the Board and/or Clerk to the Board, together with the Principal/CEO. The Search and Governance Committee will make a recommendation on the parent appointment to the Board for approval.

Procedure approved by Board – September 2016

Minor amendments made – August 2017
