

The Twice Weekly Design Challenge (TTWDC)

The rules:

1. You should aim to spend at least **one hour** on each design
2. Your submission should be one single sheet of either A4
3. Your submission can be:
 - One single (but very good) drawing
 - Several drawings, perhaps showing different views
 - A series of 'initial sketches' and a 'final design'
 - A CAD drawing
 - Any combination of the above

You are strongly encouraged to use **colour** in your designs

If you have any access to CAD software at home, you can also use that, if you wish.

Submit by the date given by emailing a good photo of your design to cjb@ssfc.ac.uk

The best designs each week will be shared on Instagram at [sgc_productdesign_ttwdc](https://www.instagram.com/sgc_productdesign_ttwdc) (if you don't want your work to be shared, please say).
