

### Level 3 Beauty and Makeup Homework

Summer task to be completed and submitted first day of your induction.

Please read the questions carefully and pay special attention to the command verbs.

1. Research photos of bridal make up looks including Asian, modern and contemporary and **compile** in a Word document under the appropriate headings (Asian, modern and contemporary bridal make up).
2. **Compare** and **describe** the differences between the different make up looks. (Asian, modern and contemporary bridal make up)
3. **Identify** the key parts of the look and **describe** the techniques you would use to enable you to complete the look. Tip: YouTube and Instagram have hacks and tips you may be able to use.
4. **Identify** the difference between Russian Lash Extensions and Individual Lash Extensions.

YouTube and Instagram tutorials may also help you, here are two links I think you may find useful in answering Question 4:
