

## INITIAL PARENTAL CONSENT FOR COLLEGE VISITS

Dear Parent or Guardian,

As part of your dependent's education at Shrewsbury College of Arts & Technology, we will require them to take part in excursions with college staff present.

These trips may be classed as educational visits or may in fact be a part of the College's enrichment programme that strives to involve your dependent in activities or events that may enrich them as a person. For example we may take them out to exhibitions or theatre trips.

We will send letters home with our dependent to inform parents/ guardians of any trips that are taking place and we would ask you to contact the College urgently if you DO NOT want your child to attend any specific visit/ trip.

As part of college policy to ensure the safety of your dependent at all times, a risk assessment is carried out prior to any visits, trips or activity taking place. Copies are available if requested

Please can you sign the form below to allow your dependent to attend any planned visits with the College?
